2. School Priorities for Pupil Premium Children	
Priorities	Desired Outcomes
A: To raise attainment in mathematics to ensure pupils make at least expected progress from their start points.	Formative and summative assessment is used effectively to identify and target the needs of children. Targeted intervention groups that are planned from the pupils needs are effective in determining the next steps for pupils. Gaps in attainment within mathematics start to narrow and progress is in line with peers. ICT usage is planned and provided daily to tackle progress in mathematics. Small group focus is targeted for PP children through the use of additional adults and teacher time.
B: To provide dedicated targeted TA hours of support for PP children for academic and emotional learning/resilience work.	PP trackers are effective in identifying areas of emotional and academic need for pupils. Training and support from the Ebor hub provides the TA with the required training to lead on emotional well-being across the school. TA targeted intervention is highly effective and evidenced in pupil progress data and well-being records (trackers). Daily reading time is given to PP children. Reading is recognised as the key to success across the curriculum.
C: To continue to provide extra-curricular activities to ensure pupils are given the opportunity to attend breakfast club and additional curriculum clubs resulting in good attendance.	Children are given opportunities to explore their talents and skills and engage in the wider life of the school raising aspirations and enjoyment. Pupils are targeted to attend school ensuring attendance is good and in line with peers. 100% of pupil premium pupils attend an extra-curricular activity.

i.	Quality of teaching for all					
Priority	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Cost/Time	Review
A	TA and teacher time is planned effectively to meet the specific needs of PP children.	PP money invested in a whole school approach to ensure good or better provision for PP pupils. Strategies that are being successfully implemented are shared between the classrooms. Opportunities to coordinate support is provided between the classes. Maths leader to participate and share findings from the TRG programme.	PP trackers will be monitored and evaluated through peer coaching reviews and lessons. Books are monitored for PP children. Pupil progress meetings. Learning walks.	Head	£3000	Cycle 1 Cycle 2 Cycle 3

B	Classroom support and teachers to work directly with pupils who are identified as having gaps in their learning.	We want to provide extra support for PP pupils to ensure progress remains in line with that of their peers. Additional time is directed by teaching assistants to target all PP children to ensure the best possible outcomes and progress.	Monitoring of TA and teacher provision through learning walks and work scrutiny. Measuring the impact of class based and additional TA intervention.	Head/Class teachers	£2000	Cycle 1 Cycle 2 Cycle 3
Total budgeted cost						
ii.	Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead		Review
A and B	1:1 support provided weekly to enable access to the curriculum and small focused work.	Some of the PP students with additional SEN needs or those identified as falling behind in progress meetings, need targeted 1:1 support to make progress and access the curriculum.	Organise timetable to ensure staff delivering provision have sufficient preparation and delivery time. Liaison with SENCO to discuss interventions and approaches.	SENCO. Y1/2 intervention and support staff	£2000	Cycle 1 Cycle 2 Cycle 3

B	Weekly emotional literacy session with well-being leader as required. Check ins with the teacher to build self-esteem and raise aspirations.	We want to provide extra support to maintain high attainment. Small group interventions with highly qualified staff have been shown to be effective. EEF Toolkit.	Extra teaching time and preparation time paid for out of PP budget, not sought on a voluntary basis. Impact overseen by SENCO and Head. HLTA time funded and training through EBOR hub.	Head/HLTA	£3000	Cycle 1 Cycle 2 Cycle 3
A and B	Sumdog for Mathematics and Lexia to target English and Maths progress.	Sumdog and Lexia have a proven record in improving pupil progress. Teachers are provided with data and reports from both programmes. Additional learning time in school is provided through clubs and computer access in the classroom.	Classroom daily rota to ensure pupils have daily access in school. Home access provided and tracked by teachers' reports to ensure pupils are given opportunities to engage at home.	Class teachers	£1150	Cycle 1 Cycle 2 Cycle 3
Total budgeted cost
